ZODIAC.—An imaginary zone of the heavens containing the twelve signs within which lie the paths of the principal planets, and through which the Sun passes in its annual course. The signs, mostly representing symbols of animals, extend for thirty degrees each, and the Zodiac is divided into twelve equal parts called signs.

NAMES AND DURATION OF EACH SIGN.

1. Aries (Ram) rules from the 21st of March to the 19th of April. 2. Taurus (Bull), from 19th of April to the 20th of May. 3. Gemini (Twins), from May 20th to

June 21st. 4. Cancer (Crab), from June 21st to July 22d. 5. Leo (Lion), from July 22d to August 22d. 6. Virgo (Virgin), from August 22d to September 22d. 7. Libra (Balance), from September 22d to October 23d. 8. Scorpio (Scorpion), from October 23d to November 22d. 9. Sagittarius (Archer), from November 22d to December 21st. 10. Capricorn (Goat), from December 21st to January 20th. 11. Aquarius (Water-bearer), from January 20th to February 19th. 12. Pisces (Fishes), from February 19th to March 21st.

THE CONVENTION OF 1910.

This great Convention at Washington, D. C., last May will be remembered as one of the greatest proofs of the growth of Sunday school work and of the earnestness of Sunday school workers all over the world.

Over fifty countries were represented, with an enrollment of nearly three thousand delegates and several thousand visitors.

The meetings were inspiring, enthusiastic and helpful.

During the Convention the subscription of \$25 000.00 a year for three years was made to provide for an enlarged and definite campaign to carry the Sunday school to the whole world.

The officers are as follows: Dr. George W. Bailey, President. Mr. Marion J. Lawrance and Rev. Carey Bonner, Secretaries. Mr. E. K. Warren, Chairman of Executive Committee.

The next Convention will be held in Geneva, Switzerland, 1913.

THE BOARD OF CHURCH EXTENSION.

The Board of Church Extension is organized for the purpose of helping young mission congregations to secure their first house of worship. This is done either by a loan of five years without interest and secured by a mortgage on the property of the congregation, or by a small outright donation. It is often better, when a small inexpensive church or chapel is erected, to give an outright donation, provided the church is dedicated *free of debt*. The money in the Loan Fund is a perpetual source of blessing, for the same is used over and over again, in many places, and proves a benediction to thousands for all time to come.

This makes a grand total in these years of \$1,483,910.27.

In this time over 1000 congregations have been helped, and the results of such a vast work only eternity can fully reveal.

The results of the past biennium are as follows:

A. Total receipts, \$201,505.49.

B. Grand total of all receipts since organization of Board of Church Extension, \$1,483,910.27.

C. Return loans have been made, in whole or in part, from 45 separate and distinct congregations.

D. The Woman's Home and Foreign Missionary Society has assisted in the building of 12 congregations during these two years.

E. One hundred churches are to be built in the course of the next few years, from the Special Frontier Donation Fund, that amount being pledged for that purpose.

F. The Board secured a valuable piece of real estate in the city of Brooklyn, N. Y., as an outright gift.

G. The Canadian Fund, for building churches in Canada, has been launched.

H. The A. W. Lilly Loan Fund, in honor of a sainted President, has been founded.

I. The Parsonage Fund remains as before. When the Jesse R. Shipton Loan Fund fully matures, which will come in the course of a few years, a goodly sum will be available then for the building of parsonages, as per the item of the will of the late Jesse R. Shipton, of Bernadotte, Ill.

J. Churches to the number of 39 have been aided during the past two years by loans.

K. Donations have been made in these two years to 263 separate and distinct congregations.

L. The presence of the Secretaries at dedications and

by personal solicitation have made it possible for many more congregations to build churches. Results of this character it is impossible to compute in figures.

M. The report of the labors of the efficient and faithful Field Secretary, Rev. H. L. Yarger, D. D., speaks for itself. No better or more telling service could be rendered by anyone. We quote again a few figures:

N. Total assets, April 30, 1910, \$706,485.41.

H. H. WEBER, Secretary.

THE BOARD OF FOREIGN MISSIONS.

The Board of Foreign Missions records another year of progress and encouragement in its work. The two missions in India and Africa have been signally blessed. The health of the missionaries has been excellent. Considerable advancement has been made in both fields. In Africa the forward movement toward establishing stations in the interior has had gratifying success. Brother Pedersen has been able to maintain himself in his interior station at Duhlo Pelle, and the mission is contemplating the opening of the second station. The schools in the mission were never in a more encouraging condition. A larger number of pupils than ever before have been enrolled in both the girls' and boys' schools.

In India the past year has been very successful. The work has been better manned. The schools and the college have had a successful year's work. Enlargement in educational work is the order of the day. The native Christian workers are increasing in number and efficiency. The Guntur Synod is becoming a real power in the organized Church. A new departure has been made in opening up a new station at Tarlapadu. The field will be called the Cumbum-Podili. The whole field which will be under the control of this station is a very large one and will comprise a native Christian pastorate as well as an American missionary.

The woman's department of the mission has been prosperous. The hospital work has been extended. Dr. Baer's work at Chirala is very encouraging. The schools and Zenana work have been vigorously carried on.

The coming year ought to be one of enlargement. If the laymen's missionary movement means anything it ought to place larger money at the disposal of our Board for the extension of the work in India and Africa.

The home administration has had a successful year. Financially the Church has supplied the absolute needs of the Board, though they should have increased giving to meet the increased expenditure made by the enlargement in the work abroad. The Board finances the work on the principle that it can only spend what the Church places in its hands. It is not justified in going into debt. But the work demands enlargement and the Board hopes to be able to do larger things.

L. B. WOLF, Secretary.

THE BOARD OF HOME MISSIONS.

The work of Home Missions in our General Synod Lutheran Church has always sustained a very close and vital relation to the growth and prosperity which has marked her history of ninety years. Doubtless to this benevolent agency her progress and her splendid achievements are very largely due. It has been said, and very justly too, that Home Missions is the "*Mother of Churches*." We need but look back over the past and note the steps of progress that have been made by our General Synod to see that the above statement has been fully confirmed in our own Church. During the last half-century more than a third of the churches of the General Synod have come into existence through Home Mission influence. Even within the last four decades, during which the present system of Home Mission administration has been in operation, over 600 churches have been aided and were nourished into strength and developed into efficiency by its fostering care.

The work continues to maintain its excellent record as the propagating and developing factor in the promotion of the growth and extension of our Church. During the last year 26 new missions have been established under the auspices of the Board, thus making the number of mission churches receiving aid 220. The number of churches built was 33. The number of members received into the fellowship of these churches was 4,728. The number of Sunday schools sustained in connection with these churches was 226, with an enrollment of 28,948. The total amount paid for the various objects of benevolence was \$20,831.00, and the grand total for all objects was \$327,393.00. The Home Mission field continues to enlarge and become more extensive, and the call for aid more urgent and necessary. Three new States have been entered recently, North Dakota, Washington and Texas, in all of which there are many open doors of opportunity and of promise, into which, as a Church, we should promptly enter. Our future growth as a Church, and our larger power and effectiveness as a Christianizing force in the world is undoubtedly conditioned upon the extent and character of our Home Mission work.

In proportion to the new fields occupied to-day and new centers of church life and influence organized and developed, will be the character and extent of our work in years to come. A hundred new churches planted each year would mean the doubling of the General Synod in the next twenty years, and it is not difficult to see that in such growth of our General Synod will come corresponding growth in every department of the work of our Church. Hence a wise policy of administration in the affairs of the Church will recognize and emphasize the supreme place of Home Missions.

A. STEWART HARTMAN, *Secretary*.

According to statistics compiled by Dr. H. K. Carroll, the growth of all the churches in the United States during 1909 was as follows: Gain in the number of ministers, 4,023; churches, 4,726; communicants, 791,713. The growth was about the average of the past five or six years.

THE BOARD OF PUBLICATION.

The Publication Society of the General Synod was organized in 1855. Since 1899 it has occupied its fine property at 1424 Arch St., Philadelphia; the part fronting on Arch Street being occupied by the offices of the Board and of the Superintendent, book-keepers and other helpers and the retail storeroom, and the part fronting on Cuthbert Street being occupied by the printing plant.

The officers of the Publication Society are: President, H. K. Fenner, D. D.; Secretary, F. P. Manhart [Pres. and Sec. of the General Synod]; Treasurer, J. B. Downing.

The officers of the Board of Publication are: President, W. C. Stoeber, Litt. D.; Secretary, H. C. Alleman, D. D.; Corresponding Secretary, F. P. Manhart, D. D., and Treasurer, J. B. Downing. C. S. Albert, D. D., is the Literary Editor, and F. L. Sigmund, D. D., the Superintendent.

The death of Mr. Henry S. Boner, who had been Superintendent for thirty-two years, was a heavy loss to the Society and to the Church.

In Mr. Boner's successor, Dr. F. L. Sigmund, the Society and the General Synod have an active and efficient executive at the head of their publication house.

Various decided improvements in the equipment have been made within a year. A linotype machine and many modern office appliances have been installed. Other changes securing greater efficiency have been made.

The total circulation of the various periodicals issued has increased satisfactorily. Beginning with January, 1911, two new periodicals will be added to those now published—The Augsburg Adult Bible Class Quarterly and *Lutheran Boys and Girls*, a semi-monthly.

A series of Monographs dealing with most important questions of faith and life has appeared. They include Dr. Voigt's "Distinctive Doctrines of Lutheranism," Dr. Manhart's "Present Day Lutheranism," Dr. Bauslin's "Is the Ministry an Attractive Vocation?" Dr. M. Valentine's "The Miracles of Christ." Others will appear soon. Being issued at a nominal price and dealing with questions that appeal to all of our people, their circulation should be general.

A life of Gustavus Adolphus, by Mrs. H. E. Monroe, has been added to the valuable Lutheran Handbook Series. The volume is very interesting.

The Teacher-Training Course, consisting of four excellent volumes, will be in the front-line class. The first volume, "The Book and the Message," by Drs. Dunbar and Alleman, is decidedly successful. The second volume, "The Pupil and the Teacher," is just off the press.

Every Sunday school should organize a training class and use these practical and helpful books.

All Lutherans of the General Synod should be loyal patrons of their Publication Society. By being such the amount of business would be trebled, many improvements could be made, and many more books and other publications could be issued and circulated.

F. P. MANHART, *Corresponding Secretary*.

THE BOARD OF EDUCATION.

The year 1910 has been a year of steady progress in the educational work of the General Synod, and the work of the Board of Education has been very helpful in bringing this about. Since the consolidation of the three District Synods of New York State into one Synod, the Synod of New York, steps were taken to have the charter of Hartwick Seminary of that State so amended as to have the trustees elected by the Synod of New York and to hold office for three years. This will bring about a more direct relation between the Synod and the school of that territory. It is expected that this will stimulate both to greater responsibility and higher efficiency in the cause of Christian education.

Another important change was the election of Professor W. A. Granville, Ph. D., of Yale University, as the new President of Pennsylvania College at Gettysburg. The unanimity and enthusiasm by which his inauguration was accompanied will mean a much larger success for this, our oldest church college in this country. Dr. Granville is of Swedish parentage and a native of Minnesota.

The inauguration of Dr. Granville, October 20, 1910, was the most significant and impressive educational event of the year. Representatives of over fifty leading American institutions of learning were present; fitting speeches were delivered, and honorary degrees were conferred—all with full academic dignity and form. No college President has ever assumed his difficult and responsible task with a more united and loyal constituency than that on which Dr. Granville may depend.

The late General J. P. S. Gobin, of Lebanon, Pa., bequeathed \$20,000.00 for theological education at Susquehanna University. J. Harry Fritz, Esq., of Somerset, Pa., made the Theological Seminary at Gettysburg his residuary legatee, from which the institution will probably receive \$50,000.00. The Hon. A. J. Harwi, of Atchison, Kansas, bequeathed \$15,000.00 for a Chair of English at Midland College. Mrs. L. Openlander, of Auburn, Ind., has given \$15,000.00 for the erection of the new Ladies' Hall at Wittenberg College, Springfield, Ohio. The present frame building will be moved to the rear of the lot and the new brick structure will be erected in front, connected with the old. Including furnishings, the improvement will cost \$20,000.00. These were some of the most important gifts for education during the year.

Midland College has constructed its new \$20,000.00 library and memorial hall, a greatly needed addition. The Western Seminary was taken under the control of the trustees of Midland College in June and made a department of that institution. For the first time during the past year the majority of these trustees were elected by District Synods of that territory.

The above are the most important new features of our educational history for 1910, and with the steady progress made at all of our other institutions will justify our opening remark, that the past year has witnessed steady and considerable progress. But infinitely more is yet to be achieved. May 1911 see still greater progress.

F. G. GOTWALD, *Secretary*.

THE PASTORS' FUND SOCIETY.

The Pastors' Fund Society is one of the oldest benevolent agencies of our Church. Its work antedates active interest in Missions, Orphans' Home, Ministerial Education and Deaconess Work. Just when it was organized and began its work cannot be exactly determined. The first Treasurer of which we have record was a Doctor Gilbert (M. D.). He was succeeded by P. W. Eugs, and he again on August 12, 1857, by Lewis L. Houpt. The latter served until the meeting of General Synod at Fort Wayne in 1866, when Rev. E. W. Hutter assumed the duties of the office. May 6, 1869, Rev. L. E. Albert, D. D., was elected Secretary of the Board of Trustees, and, upon Rev. Hutter's death, became the Treasurer, serving in that capacity from January 26, 1874, to the time of his death on March 6, 1908, a little over thirty-four years.

The object of this Society is "the support of disabled or superannuated ministers and their widows." During the two years ending May 15, 1909, aid was given to 45 pastors and 66 widows of pastors, \$26,879.70 being paid in benefits and expenses.

From May 15, 1909, to October 1, 1910, seven pastors have been taken regularly upon the fund for a total of \$1,200.00 per year, and ten widows have become beneficiaries for \$1,350.00 per year. The appropriations of four pastors have been increased \$50.00 each per year, making a total increase of \$2,750.00. In the same time eight beneficiaries, receiving a total of \$1,250.00 per year, have died, making the net increase in our annual expenses \$1,500.00. During the same period special donations, help given in cases of emergency, to the amount of \$1,300.00 have been made.

At the present date the Society is giving regular appropriations to 67 widows of pastors, and to 34 pastors in enforced retirement. The applications of three widows are pending. Most of these pastors have done pioneer and mission work. They consecrated their lives to the service of the Church in the work of the public ministry of the Word. They served when the remuneration could not possibly be commensurate with the service rendered. They enlarged and enriched the Church, but their own treasure was laid up in heaven. While lingering in the body they should be ministered to by the Church which they served. There are always places where service must be done at sacrifice. Men can afford to make the sacrifice and lay up nothing if they know they shall have bread to eat and a place to lay their head when strength is spent and their activities must cease. Nor should the pastor's family be forgotten when the pastor is called away by death. The pastor's wife, while she is not usually recognized in "the call" and receives no salary, is a true help-meet. She must share his burdens, endure his privations and suffer with him in adversity. She needs your sympathy when her husband and support are taken away; she should have your help, for we are told to remember "the widows in their afflictions."

Give this work your prayers, your sympathy, your offerings. Communicate with

Home and Foreign Missionary Society for 1910, was the completion of an \$11,000 fund by the West Pennsylvania Synodical Society for a Converts' Home and Bible Training School in India. This is the largest offering ever made by any organization of the Society for a special object. Marylan Synodi-

cal Society is coming not far behind with a \$9,000 fund for a Nurses' Home in connection with the Guntur Hospital, and East Pennsylvania with a \$5,000 fund for a Branch Hospital at Chirala. Allegheny Synodical Society completed its fund for the opening of a Bed in the India Hospital, making twenty-one beds endowed at \$1,000 each.

The offerings for the first six quarters of the Biennium amounted to \$90,036.53, of which \$25,000 was for special work.

There was a commendable gain in the active membership of the Society, a large increase in life members, and a growing interest in all departments.

"Lutheran Woman's Work," the official organ of the Society, closed its third year with an increased subscription list and growing popularity. This magazine has made for itself an enviable reputation along the line of missionary publications.

After twenty years of inestimable service, the "King's Message," published by the Society, has

been merged into "Lutheran Boys and Girls," with the hope of reaching a larger constituency and thus doing more and better work for the children of the church.

The Society maintains work on four continents. It has on its list thirty-eight Home Missions, including a mission among Italians in New York City, work among immigrants at the port of Philadelphia, and a promising work in Buenos Aires, Argentina, South America. Of the thirteen foreign missionaries supported by the Society, two are in charge of the E. V. Day Memorial School in Africa, with fifty-eight pupils, and eleven in charge of the Medical, Educational and Zenana departments of the India Mission supported by the General Synod.

The Seventeenth General Convention of the Woman's Home and Foreign Missionary Society will be held in the First Lutheran Church, Louisville, Ky., Rev. S. S. Waltz, D. D., pastor, May 9-12, 1911.

THE DEACONESS BOARD.

The Deaconess work of the General Synod has prospered during the year past. There has been a larger number of Sisters in active service than ever before. At present eleven are engaged as Parish Sisters and five in our benevolent institutions—one in the Orphans' Home at Loysville, Pa.; one in the National Home for the Aged at Washington, D. C., and three in Tabitha Home at Lincoln, Neb. Sev-

eral others are occupied in the Motherhouse and in private nursing.

The new Motherhouse is a splendid structure, well-proportioned and beautiful. The arrangement of the interior is the result of the most careful study, and provision is made for all the requirements of such an institution. There are accommodations for about sixty-five resident Sisters and candidates, which will be ample for the probable demands of

many years to come. A special feature of the present year is the one-year course of study arranged for the benefit of young women who, though unable to enter the Deaconess calling, desire to gain such knowledge and training as will make them more efficient in Christian service as private members of the Church. It is hoped many will avail themselves of this opportunity.

A GOOD PREACHER.

A good preacher should have these virtues and qualities:

- First, he should be able to teach plainly and in order.
- Secondly, he should have a good head.
- Thirdly, he should have a good power of speech.
- Fourthly, a good voice.
- Fifthly, a good memory.
- Sixthly, he should know when to stop.
- Seventhly, he should be sure what he means to say, and should study diligently.
- Eighthly, he should be ready to stake body and life, goods and glory, on its truth.

Ninthly, he must suffer himself to be vexed and criticised by everybody.—*Luther.*

CLERICAL REGISTER.

List of Names and Post Office Addresses of Lutheran Ministers in the United States, Canada, etc.

A * is prefixed to the names of ministers in the **General Synod**. The District Synod of each minister is indicated by an abbreviation. Where a name is followed by (n. s.), the meaning is, belongs to *no Synod*. Where the noting (*P. Emer.*) appears, it stands for Pastor Emeritus; being honorarily retained in the relation of pastor; (*Prof. Emer.*) indicates one who has been honored with a vote of Professor Emeritus on retirement; and (*ret.*) means *Retired*. This publication will aim at appending to names special literary or honorary degrees *only* when well known, or properly attested, as having been conferred by legally authorized institutions of learning. Any persons desiring to use our invention of abbreviations for designating synodical connection, will please confer.

Ministers and others are respectfully requested to advise the Editor of this Almanac and Year-Book of any errors or omissions they may discover in the following list. Secretaries of Synods will favor us by printing in their minutes the given names of ministers.

Pastorates and Residences, with the Names of Resident Ministers, within the General Synod.

Classed alphabetically, first by States and Territories; next according to Ministers' Post Offices; and when two or more ministers reside at the same place, likewise the names follow the alphabet. When the well-recognized name of a Parish is different from that of the Post Office, and has been reported to the Editor of the ALMANAC, it is set in parentheses after the pastor's name.

CHURCHES IN THE UNITED STATES.

A. D. 1776, one church for every 1,500. A. D. 1906, one church for every 400.

In 134 years the nation multiplied its population 60 times.

In 100 years the church multiplied hers 169 times.

In 1800, one person of every fifteen was in the church; to-day, at least one of every three is enrolled in its behalf.

For 16 years we have added an average of 8 church buildings and 2,115 communicants every day.

WHERE OUR FOLKS ARE MOST NUMEROUS.

The last United States census shows that, in communicant members, the Lutherans in the leading states are as follows:

Pennsylvania	335,643
Wisconsin	284,286
Minnesota	267,322
Illinois.	202,566

Ohio	132,409
New York	124,644
Iowa	117,668
Michigan.	105,803

Other states have under a hundred thousand each, and Arizona alone reports none. The first four States named above have more than half of all our communicant members.

Modern Helps for the Sunday School

The Augsburg Lesson Series

The International Uniform Lessons are published in a series of periodicals for pupils of all grades—the Primary, the Junior, the Intermediate, the Senior and the Adult Departments of our schools. The beautiful illustrations, many of them specially prepared for us, the scholarly yet luminous comments and the excellent typography of these papers place them in the forefront of Sunday school periodicals of to-day.

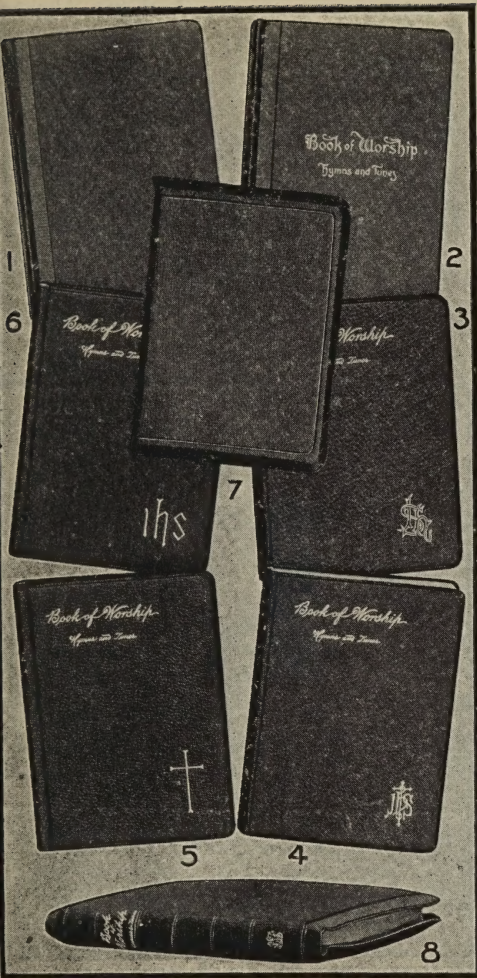

The Augsburg Graded Lessons

This series is intended to supply the wants of progressive Sunday schools which prefer a change. Issued in convenient and attractive form for the Beginners', the Primary and the Junior Departments, they provide the very best assistance for the instruction of pupils up to twelve years of age. *The Lutheran Primary Course* gives an additional series of lessons, covering a period of two years, with lithographed picture cards and the essential equipment for teacher and pupil. These courses make ample provision for the work of any Sunday school in harmony with modern pedagogical methods. We will cheerfully answer inquiries and send samples, subject to approval, of any of these helps.

Sunday School Supplies

What has been accomplished with the lesson periodicals we aim to do for the entire equipment of the Sunday school. We can promptly fill your orders for supplies for the superintendent, the secretary, the treasurer, the librarian or the class. This department of our business is constantly on the lookout for new ideas and better methods of keeping the machinery of the Sunday school moving. Plans for increasing attendance and offerings, souvenirs for special days, supplies for organized classes, equipment for the Home Department and the Cradle Roll are furnished at lowest prices. Write us if you have any unsolved Sunday school problems.

The Nature of God

By JOHN A. HALL, D. D.

A finer piece of theistic writing has not recently appeared. One lays
down the book with quickened pulses and ardent faith. It is inspira-
tional in a high degree. The charm of the diction, the devoutness of
the spirit, the sweep of the investigation, which characterize this study
give it a distinct place in the literature of our Church. It fills a niche
of its own.—*The Ausburg Teacher*.

The Post-Apostolic Age and Current Religious Problems

By J. B. REMENSNYDER, D. D., LL. D.

It is an admirable presentation of an interesting and important
subject.—*Henry Van Dyke*.

The purpose of this volume is to show that Christianity has had an
historic continuity, and that on all the vital points the orthodox faith of
the present day is identical with that of the era next to Christ and the
Apostles.—*Bibliotheca Sacra*.
